A Good Cough Medicine for Children Mrs. J. W. Phillips, Redon, Ga., phoned to J. M. Floyd, the merchant there, for a bottle of Chamberlain's Cough Remedy. He bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children or for yourself. It keeps the cough loose, expectoration easy and soon frees the system from the cold.

Only a Cold Are you ill? Is often answered, "Oh! its only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you to throw it off.

"The Moral Deadline" was a great picture at the Cozy Tuesday night. It isa great pity that so many people fail to note that line until after they have crossed it. Pictures that build character are always worth while.

Constipation Most laxatives or cathartics afford only temporary relief and should be used only for that purpose. When you want permanent relief take Chamberlain's Tablets and be careful to observe the directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

Wanted to Celebrate

Last Tuesday was the anniversary of the signing of the Armistice. In a number of towns and cities the people took the day off for celebration but the occasion was not generally observed in Snyder. There had come no order for the schools to declare a holiday, but pupils at Waco, Fort Worth and Snyder evidently felt a patriotic impulse to jubilate. At Waco 200 pupils left the school and marched to the Baylor school to ask the students there to join them.

Students of the High School in North Fort Worth walked out and the trustees met later in the day and ordered a holiday.

Quite a number of the pupils of the Central building in Snyder left school early in the afternoon and came down town. It was supposed they had been given a half holiday, but it seems they had not been granted permission. The school trustees had a meeting Tuesday night and ruled that school discipline is of prime importance and that the offenders should be punished by suspension for three days and on Wednesday morning about 30 pupils were sent home for the balance of this week.

The Maxwell hotel changed hands this week. Mr. and Mrs. Greenfield who have been running the house have decided to quit and Mr. Singletary and family will have charge and Mr. Singletary states that he will not have the hotel regularly open for a few days until he gets things all straightened out to his liking.

It has been reported here that the laundry workers at Sweetwater have deserted the works and are gone to the cotton fields.
